- History of The "Best Retail Chain of the Year" Award:

Since the First Edition in 2008, the Trophies have enjoyed Growing Success, both for Brands and Customers! Today, this Competition is becoming Increasingly Important: One Million Votes were reached during the Previous Edition. This makes it, by far, the most important Consumer Election in the French Retail Sector.

It allows Consumers to express their Opinion and evaluate their Favorite Physical (Best Store Chain) and Digital (Best E-retailer of the Year) Brands, in around Ten Questions. It also aims to generate Positive Media Results for Brands.

In 2018, the "Best Franchise of the Year" Trophy appeared. This Mode of Collaboration, between Two Legally and Financially Independent Companies, is Increasingly Widespread in France. It was Essential to promote Entrepreneurs who have embarked on the Adventure of Franchising, hence the Creation of this Trophy.

In 2019, the Organizer of the Elections wanted a New Trophy to see the Light of Day, thus awarding the "Best Customer Relations of the Year" Trophy, All Categories combined, to the Brand having obtained the Best Result on this Criterion.
